## Letter from Amanda McLaren, BPL Director

To our Benzonian Public Library family,

WOW! It seems like lately everything stands still or moves really, really fast!

We are excited to let you know that, per the executive order 2020-110, libraries may reopen beginning June 8<sup>th</sup>! With that, Benzonian Public Library will begin a PHASED reopening which will start with curbside services. Why a phased reopening, you ask? Because there is a great deal that still needs to be done to safely open our doors. Every step we make will be with our staff and patrons' health and safety in mind. There is much to do!

PHASE 1 will begin Monday, June 8<sup>th</sup> and will be in place until the next phase is announced. The library building will remain closed to the public during this time. We will be offering curbside services throughout the week during limited hours. \*Mondays, 11am-2pm \*Wednesdays 4pm-7pm \*Fridays 11am-2pm.

For instructions regarding curbside requests and pick up, please see page 2. During the time that we are in Phase 1, safety precautions will be taken. All returned materials will be quarantined a minimum of 72 hours and will be wiped down before being made available to the public. Curbside services will be no-contact, with items being placed directly in your trunk, or if you prefer, left on the sidewalk for you to place in your vehicle. At this time MeL borrowing is unavailable. We are uncertain as to when that will be reinstated, but we will post updates on our website and Facebook page.

On a date yet to be determined, we plan to offer a Computer Center on the Mills Lower Level. This Computer Center is a partnership between the Mills Community House and the Benzonian Public Library and will be offered by appointment-only during the same limited hours as curbside. The lower level provides the space needed to safely distance the computers and allow patrons access for essential services. Details regarding the Computer Center can be found on page 3. Again, all safety precautions will be taken with each computer area being wiped down between use.

Summer Reading Programs will be virtual this year and registration is available online at [www.benzonialibrary.org](http://www.benzonialibrary.org) or by phone at 231-882-4111. All Reading Challenges and prize information are available on our website. Bag pick-up will be available curbside. Please see pages 6 & 7 for more information.

\*Please note, US-31 is currently under construction. You will need to use the Walker Street entrance for book returns and pick-ups!\*

We are grateful for the opportunity to offer these services! If you have any questions, feel free to contact me at [benzonialibrary@gmail.com](mailto:benzonialibrary@gmail.com).

## REMEMBERING BENZIE: An Oral History Project June 2020 Update

We are so excited to announce that the student interns have moved forward with the Remembering Benzie project by completing a segment titled "History in the Making!" We greatly admire the students' determination to continue with the project in the face of great obstacles' and we are thrilled about the direction that they chose to take.

Each student intern selected one teacher/administrator and one student to interview regarding their quarantine experiences. Each interview is approximately 30 minutes long and is unedited.

The "History in the Making" interviews, as well as interviews previously recorded by the interns, will gradually be featured on the Remembering Benzie YouTube channel and the Benzonian Public Library website. Please subscribe to the Remembering Benzie YouTube channel and set your account up for notifications so that you can get an update whenever a new video is posted!

Thank you for your continued support of our awesome student interns and our wonderful Oral History Project! The Remembering Benzie Oral History Project is made possible by a grant from the Institute of Museum and Library Services and is a partnership between Benzonian Public Library, Benzie County Central Schools and the Benzie Area Historical Society.

Watch for the group's updates in newsletters, their YouTube channel, and at [www.benzonialibrary.org](http://www.benzonialibrary.org).

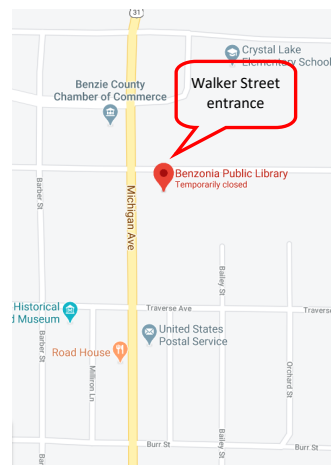

## US-31 ROAD CONSTRUCTION IN BENZONIA

Road construction on US-31 through Benzonian is in full swing. The road is currently one lane from M-115 at Stapleton's to Burr Street which is 3 blocks south.

The entrance to BPL from US-31 is currently closed. You'll need to use the side entrance off Walker Street when coming to the library for curbside pick-up or to use Wi-Fi. You may want to try using Case Road to Walker Street as an alternate route.

Please be patient, we know the construction and delays are frustrating, but it will be worth it when everything is finished. The road will be smooth without pot holes and there will be set-back sidewalks on both sides from Stapleton's to Shop-n-Save.

Benzonia will be pedestrian friendly and beautiful!
